"Without a click I get my business's updated status on my mobile which helps me a lot making everyday business decisions. This saves me million dollars every year".
- Stephen Winn (Director)

I am living a stress free life since the day I started working with LiveEx Logistics. Thank you LiveEx"
-Hassan Al Arabi (Director)

needs of a Financial Institution. "LiveEx" designed carefully to satisfy the compliance of country laws imposed by STATE/CENTERL Bank and international laws for such business kinds.

The product "LIVEEX" ready to address the operations of Logistic/Forward & Clearing, Money Exchange, Remittance Companies and Brokerage House businesses. The motive is to fulfill the business maximum needs with minimum input, the manual intervention denied as maximum as possible.

The application designed to serve globally and it's the mix blend of business laws, rules, norms, logics and management experiences based on multiple locations like PAKISTAN, U.A.E, QATAR, BAHRAIN, SUDAN, MA-LAYSIA, IRAN, CANADA, SAUDI ARABIA and Hong - Kong.
